Y6 SATS Easter Club

Dear Parents/Carers,

It has been great to see so many faces so eager to do well in their SATS boosters over the past term. The children have been working really hard and are really keen (almost too keen) to do as well as they can. All the teaching staff are already really proud of their endeavors.

During the Easter holidays, myself and other St John's staff are generously giving up part of their Easter break in a final push to get all of the current year 6 cohort to the expected standard that they need to be at before they all head off to their respective high schools.

On Monday 9th, Tuesday 10th and Wednesday 11th April 2018 there will be three additional sessions for selected children to attend. The sessions will run from 9.00am-12.00pm, and will have a break in the middle too with drinks and snacks provided.

The sessions will currently consist of SPaG, but also touch upon Maths and Reading, targeting the identified gaps from the children's recent assessments that they undertook last week.

If your child receives this letter, it is expected where possible that they attend all three sessions as it is being organised for their benefit.

Kind Regards

Mr Carlile
