

Year 4 Newsletter

I hope you've all had a lovely Easter holiday.

This term we will be learning all about the Vikings! Over the next term, there will be several opportunities for you to join your child in school, and see the excellent work that goes on. As well as the Inspire Workshop session on 22nd June, we will be running Open Door sessions in both Literacy and Numeracy. Details of these will be sent out to you in due course.

If you have questions, problems or concerns, please do not hesitate to come and see me. I am available to speak to before and after school.

Thank you for your support.

Mr. Wilkes, Mrs. Brown.

Important Information

Our PE lessons this term are on Wednesdays. Please make sure your child has their kit with them on this day. Earrings and other jewellery should be removed before the lesson. Long hair will also need to be tied up. If your child is unable to take part in PE, please send a brief note into class with them on the day.

Reading

Reading is a very important part of your child's learning. Therefore, we encourage the children to read as much as possible, particularly at home. For this reason, we would appreciate if you could record any reading opportunity whether it be with an adult or on their own.

Reading books will be changed on a Friday so please ensure that they are in school along with reading records.

Homework!

Homework will be set weekly. There will be a piece of Literacy homework and a piece of Numeracy homework. There will also be a piece of creative homework linked to our topic. This piece will be an ongoing project that will need to be brought into school between 4th June and 8th June. Homework is set on a Friday, and needs to be returned to school the following Wednesday.

In addition to this, your child will be bringing home a set of spellings each week, as well as continuing to practice times tables. Your efforts in supporting your children with their homework, particularly spellings and times tables, is greatly appreciated.

Times tables and spellings will be tested on a Friday each week.
