

To all in the Year 6 family,

First of all, welcome back to all the children, parents and all family members to Year 6. I hope you all had a nice break over Easter, and thank you to both parents and children who attended the Easter SATS club, it was very productive and successful. Our topic for the summer term is all about 'Leisure and Entertainment' so this will be linking into History, Geography and Art. It will also be crossing over into our literacy work where we will be looking at text types such as Explanation Texts, Reports and Recounts. In Maths we will be looking at things including Shape, Time/Timetables and Problem Solving. In Science we will be looking at Electricity including circuits, symbols, volts and investigations.

Homework will continue to be set on Fridays and children will record this in their Homework Diaries. Each week they will receive a Maths and English homework (to be completed by the following Wednesday) alongside weekly spellings and times tables (which will be tested the following Friday).

Year 6's P.E. lessons will continue to be on a Wednesday starting with Hockey, so please can you ensure that all PE kit in school on this day and please take into consideration any jewellery that is worn on this day too. PE will be outdoors, therefore appropriate footwear and layers may be needed but also sun screen and hats.

Please don't hesitate to ask me any questions that you may have either on the playground, or by calling the office to make an appointment.

Kind Regards

Mr Carlile
