

Dates for your diary

Here is an outline of events planned for this academic year. We hope this will allow you to plan ahead. As you can see we have lots of opportunities for you to come into school to work with your child. We understand that you are busy and may not be able to attend every session.

Please be aware that as school is a busy, growing community some dates may have to be changed. We will do our best to ensure you have as much notice as possible for events involving your child.

We look forward to welcoming you into school soon.
